## SPECIAL EVENTS

### *Outdoor Concert Planned at MacArthur Museum of Arkansas Military History*

On Tuesday, April 1, at 6:30 p.m., the McArthur Museum of Arkansas History will present a free outdoor concert by Starlifter, a component of the United States Air Force Band of Mid-America.

This seven-piece group of talented musicians performs in virtually every musical idiom, from Rock and Pop to Jazz and Country, to great contemporary and traditional patriotic songs. They feature the best in popular music from the 1970's to the most current sounds at the top of today's charts.

The United States Air Force Band of Mid-America is the musical ambassador of the Air Mobility Command. Formerly known as the Air Force Band of Mid-America, the Military Airlift Command Band, and then as the AMC Band of Mid-America, the United States Air Force Band of Mid-America was established in 1942 at Jefferson Barracks, Missouri. In 1960, the Band began working from its present home at Scott Air Force Base, Illinois, as the principal representative of the Military Air Transport Service and the Military Airlift Command, both predecessors of the Air Mobility Command. In any given year, the United States Air Force Band of Mid-America and its component units perform more than 400 engagements for more than 1 million people.

### ***Prescription Take Back and Food Drive April 26***

The Arkansas Prescription Drug Take Back & Food Drive for Arkansas Hunger Relief Alliance is set Saturday, April 26, from 10 a.m. to 2 p.m.

Take your unused drugs to a drop box in your area. To find a location, go to <http://www.artakeback.org>.

The primary goals of the take back are to have as many pill-collection sites across Arkansas as possible, have an excellent turnout at each site, and to collect and destroy as many expired and unnecessary medications as possible (the goal this time is 20,000 pounds of pills).

The benefits Take Backs provide are that collected medications do not pollute water, are never accidentally being ingested by kids, are never abused, diverted, or stolen, and never cause overdoses, injuries, or even deaths. They also provide a great means to share information with the public about the larger issue of prescription abuse.

In addition to the Take Back, this year there will be a concurrent food drive on April 26 and we have been partnering with the Arkansas Hunger Relief Alliance in its planning. All the food collected in communities is going to stay in those very same communities, and local feeding Organizations/food pantries are taking care of each site in terms of receiving, collecting, storing, and distributing the food.

*Brought to you by the AR Office of the Drug Director, AR Law Enforcement, DEA, US Attorney's Office, AR National Guard Counterdrug Program, AR Office of the Attorney General, AR State Board of Pharmacy, and many other partners in Arkansas.*

### ***VA Mobile Units on the Move to Assist Veterans***

Veterans in several rural communities across the state of Arkansas will have access to the Mobile Vet Center (MVC). Mobile Vet Centers, operated by VA's Readjustment Counseling Service,

provide nonmedical readjustment counseling and outreach to combat veterans and their families, addressing the social and economic dimensions of post-war needs.

Throughout March, MVC 850 will make stops as indicated below between the hours of 10 a.m. - 2:30 p.m. each day:

Friday, March 21, 2014	2700 South Shackleford Road, Little Rock (Pulaski Co), AR 72205
Tuesday, March 25, 2014	406 East 22nd Street, Stuttgart (Arkansas Co), AR 72160
Wednesday, March 26, 2014	20 Magnolia Street, Rison (Cleveland Co), AR 71665
Thursday, March 27, 2014	1123 Highway 79 167, Fordyce (Dallas Co), AR 71742
Friday, March 28, 2014	525 Skyline Drive, Conway (Faulkner Co), AR 72032

Mobile Vet Centers are among VA's premier, front-line outreach resources designed to interact with Veterans in rural communities, at community events, and on special occasions. As an integral part of the Vet Center system, MVC's offer veterans information on topics such as individual and group readjustment counseling, military sexual trauma, marital and family counseling, VA benefits, and community education. MVC 850 is Fayetteville-based and provides service coverage throughout the majority of Arkansas.

Veterans and family members seeking information about Vet Center or other Department of Veterans Affairs services can visit the Mobile Vet Center on a walk-in basis during this important state-wide outreach effort.

As is often the case in many rural areas wherein VA facilities are not readily available or there is limited access to services, the MVC affords Veterans an opportunity to engage in face-to-face dialog with a VA representative within the local community.

Significant, too, is that the Mobile Vet Center staff respect the privacy of all Veterans and family members, maintaining all information in strictest confidence. Staff will communicate or transfer no information to any third party or agency without the express, written consent of the individual veteran except in circumstances wherein such communication is absolutely necessary to avert a crisis situation.

For more information, contact Miles Brown, CAVHS Public Affairs Officer, (501) 257-5393 or [vhalitpublicaffairs@va.gov](mailto:vhalitpublicaffairs@va.gov).

### ***Specially Adaptive Housing Grant Eligibility Automatic for ALS***

WASHINGTON — Veterans and active-duty military personnel with service-connected amyotrophic lateral sclerosis (ALS), commonly known as Lou Gehrig's disease, are now presumed medically eligible for grants up to almost \$68,000 to adapt their homes, the Department of Veterans Affairs (VA) announced this week.

"VA is committed to eliminating barriers that keep Veterans and Servicemembers from the benefits they have earned," said Secretary of Veterans Affairs Eric K. Shinseki. "This change will make it easier for some of our most severely impaired Veterans to receive speedy assistance adapting their homes to their unique needs."

The change affects recipients of VA's specially adapted housing grants, which helps pay for the costs for building, buying or adapting a home, up to a maximum of \$67,555. [Full Story](#)

### ***Happiest Mailman Retires***

"Hallelujah" follows almost every sentence spoken by the man who for 17 years has delivered mail and spread joy to the Sunnyside Addition in Jacksonville and to Leader Publishing employees.

Ronald (Ron) Snider, 72, retired on February 28 after a 27-year career with the Postal Service. He said the job was a blessing and an opportunity to serve others.

Snyder was born in 1941 in Alliance, Ohio, and is an Air Force veteran.

Snider has been an air-traffic controller, a newspaper carrier, a janitor and organized fishing tournaments — in that order — before friends who worked for the post office encouraged him to take the test that would start his career there. [Full Story](#)
